

July 2018

Dear Parents and Carers

Our school catering uses a biometric, cashless payment system. This means your child can pay for their items by simply using one of their fingers to touch a keypad at the till point. Students can also be issued with a 'unique to them' four digit pin number to use if there are ever any technical issues.

You can use the Schoolgateway system by Schoolcomms to top up your child's lunch money account online or they can bring cash into school and use the cash loaders. Information about Schoolcomms, Lunch Money & Biometrics is on our website at: www.dchs-alnwick.org and following the link from the Welcome homepage.

To allow your child to use the biometric system we need you to complete the opt-in form below and return it **no later than 5th September 2018.**

We will arrange for the finger print image to be taken to set up the students during the first few days of the new term, please ensure that your children have cash with them until we notify you that we have completed this.

Yours faithfully

Maurice Hall
Headteacher

Impact Biometrics Opt-In form

I **do** wish my child to be included in the Impact Biometric registration process

Name of Student:-----

Year: -----

Class: -----

Name of Parent/Carer:.....
