

Dear Student

This is your new Sixth Form Prospectus for 2017, which outlines all the courses that are available.

In order to make the right decision, you will need to consider the following:

What subjects are you good at?

What subjects do you enjoy?

What results are you likely to get?

What subjects are needed for your next career step – work or Higher Education?

To help you find out these answers quickly, do the following over the next few days.

Read the Prospectus and the routes available – they contain information about courses and grades required to study.

Look at your Target Grades & latest Progress Data. (Mock Exam Results)

Talk to your tutors – they know you and your abilities well.

Talk to the teachers that run the courses that interest you.

Talk to your parents and current Sixth Form students.

Mrs Fleet can advise you on the subjects required for your next step to university, college or world of work.
(Research UCAS and apprenticeship websites.)

We realise that your plans may not be definite at this stage but we do need an indication of possible choices in order to plan the Sixth Form timetable. Please note, however, that if you change your choices after your results you may not be guaranteed your new choices (although we will of course try our best to accommodate you).

Even if there is only a very small chance of you wanting to return to the Sixth Form, you must complete and return this form so that we know you have something in place. Remember that you now have to stay in education or some form of training until the age of 18 Years.

When you have completed your research please return this form to your Form Tutor.

If you have any problems with the process or want any further advice, please see **Mr. Routledge, Mrs. Purvis** in the Sixth Form Office, or myself.

Entry 2017

**The final deadline
for completed forms
from current DCHS
students is
Wednesday
1st March**

**Please hand this form to
your Form Tutor, before
this date if possible, to
support the application
process.**

INSTRUCTIONS:

1

Decide whether you want to do a **Work Related Course at Level 2**
OR
Advanced courses at Level 3.
You cannot do both.

Look at the different options available and the entry requirements for each level and subjects in the Prospectus.

2

Complete page 2 and return the form to your form tutor by the above date at the latest.
